V-CART V-CART FOLDING CART TROLLEY

The V-Cart is a collapsible trolley that can be used for hundreds of applications. It is ideal in the workplace, home, office, hospitals, courier services and much more!

It can be completely collapsed by the push of a button on the handle. The wheels are able to be removed by the push of a button and stored underneath for compact transport and storage.

The V-Cart is supplied with one collapsible basket which will lock into place on either the top or bottom platform.

The top platform can be folded back to allow larger items to be transported. Extra baskets can be purchased for use on both platforms or up to 4 baskets can be stacked on the bottom platform.

A robust foot pedal brake allows the V-Cart to be locked in position whilst loading or unloading. The injection moulded plastic and aluminium design means that whilst the V-Cart is lightweight it is still very robust and has a great carrying capacity.

Dimensions

- Overall Length Assembled: 1000mm (39in)

V-CART»»

V-Cart Packaging:

The V-Cart is packaged in a white glossy retail style carton with an instruction manual for the customer on how to use. This white glossy carton is printed with images and specifications and barcoded on the outside which means it can be sold through retail outlets.

V-Cart Wheels:

The front and rear wheels have a high performance roller ball bearing which gives the user very smooth operation.

V-Cart Basket:

The basket is the perfect size to fit foolscap suspension files for use in offices and schools.

V-Cart Platform Size:

The V-Cart platforms fit perfectly the Australian standard crate sizes No.7, No.10 and No.15 on both the bottom and top platforms as pictured here.

V-Cart Platform Supports:

The V-Cart top platform has fold-down support bars which can be used for extra support on the top platform for heavy loads. If not required the support bars can be folded and locked into place onto the bottom platform.

V-Cart Tool Bin:

The V-Cart has an optional tool bin with simply clips on with 2 removable dividers.

V-Cart Basket Lid:

The V-Cart basket has an optional clip-on lid which locks into place on the basket rim.

V-Cart Basket:

The V-Cart basket simply folds flat and assembles quickly by pulling upwards.

V-Cart Vinyl Cover:

The V-Cart trolley has an optional zip-up vinyl cover for protection against rain and dust.
