

PRODUCT SPECIFICATION SHEET

Drum Palletiser Stackers

- These drum palletisers stackers are great for loading and unloading both plastic and steel drums onto pallets
- Can also be used to stack drums on top of another drum or to place on a truck or ute
- V5036 comes with a battery operated weighing scale which gives you an accurate measurement of the drums weight

TR5035

TR5036

Code	Details	Load Capacity (kg)	Max Lift Height (mm)	Leg Length (mm)	Overall Size LxWxH (mm)	Unit Weight (kg)
